Base LED Exterior Flood Light in Black

SKU: 246127

Details

Base floodlights offer powerful LED illumination and are available in black and white. Designed with architectural style in mind, these versatile lights can be used for exterior floodlighting or as wall uplighters indoors. Constructed from durable diecast aluminium, Base floodlights feature adjustable tri-colour temperature (3000K-4000K-5000K) for customizable lighting effects and can be adjusted to all angles to project light exactly where needed. They can also be used as uplighters, providing indirect lighting without glare. With IP65 and coastal ratings, they withstand outdoor elements. Backed by a 5-year warranty, Base floodlights combine high lumens output with CCT flexibility, ideal for enhancing both exterior and interior spaces with reliable performance and modern design.

Specifications

SKU	246127
