Bayside Somerset 142cm Fan with Light in White

SKU: 213049

Details

The Bayside Somerset ceiling fan with light combines airflow and illumination in a clean, modern design suited to larger bedrooms and living spaces. Finished in white with durable ABS construction, it provides a practical solution where both cooling and lighting are required.
Available with and without light, and in 122cm and 142cm sizes.

AC Motor - Reliable, Affordable, and Versatile

Since they have been around for a while and are affordable, AC, or alternating current, ceiling fans, are a popular option. The convenience you need to conveniently control the temperature of your house is provided by AC ceiling fans, which are also very simple to maintain and can be operated with either a wall control or a remote.

Wall Switch

3-speed wall switch included.

Integrated Light

Included is a GX53 globe with 3 step dimmable warm white LED light.

Coastal Rating

Suitable for indoor, alfresco, and coastal areas provided the fan is fully undercover, protected from water, wind, and dust, with a minimum of 1 wall.

Recommended Room Size

For rooms between 4m x 4m or greater, we recommend a fan between 142cm and above.

2 + 4 Year Warranty

We provide a 2-year in-home warranty on all Bayside fans plus a 4-year parts replacement warranty from the date of purchase.
