

Beacon Trade x NXP Workwear Large High-Vis Hoodie in Orange and Black

SKU: 291153

Details

The Beacon Trade High-Vis Hoodie, created in collaboration with NXP.WRK (Nena and Pasadena Workwear), combines durable workwear design with everyday comfort on site. Designed in high-vis orange with black panels and bold Beacon Trade branding, it delivers visibility while maintaining a contemporary workwear aesthetic. Crafted from a heavyweight 360GSM fleece blend incorporating recycled polyester, this hoodie offers durability and a soft feel for cooler conditions. The relaxed fit, adjustable hood and kanga front pocket provide practicality throughout the workday, while Silvadur™ fabric treatment helps combat odour-causing bacteria to maintain freshness. Designed for tradies who need reliable workwear.
