

Cable 2.5mm Flat Twin Active 100m Drum

SKU: 299304

Details

Brand: Tyree

Cable Type: Thermoplastic Sheathed (TPS) Flat Cable

Configuration: Twin Active, no earth

Length: 100 metres

Australian Made

Tyree 2.5mm² Red and White Twin Active TPS Cable is a high-quality, Australian-made cable designed for fixed wiring in residential, commercial and light-industrial applications.

Proudly Australian Made

Tyree is a 100% Australian-owned business with a proud history of local manufacturing and engineering innovation.

Choosing Tyree cable supports Australian manufacturing, local employment and ongoing investment in product development.

Through the Tyree Foundation, up to 50% of the company's retained profits are contributed to initiatives advancing engineering, education and medical research.

It is more than quality Australian-made cable—it is an investment in Australian industry, innovation and the wider community.

Key Features

Twin Active Construction

Includes two insulated active conductors, identified red and white, flat-laid within a durable white PVC outer sheath. This configuration is commonly used for switching and control applications.

Australian Made

Locally manufactured to deliver consistent quality, performance and reliability for Australian electricians.

Easy to Strip and Terminate

Plain annealed, stranded copper conductors and PVC insulation assist with clean stripping and efficient termination, helping reduce installation time.

Metre-Marked Outer Sheath

Clearly marked cable lengths make it easier to monitor the remaining cable on the reel, measure cable runs and minimise waste.

Durable PVC Construction

V-90 PVC insulation and a robust PVC outer sheath provide lasting protection for fixed-wiring applications in suitable protected locations.

Supplied on a Tough Plastic Reel

Packaged for convenient transportation, storage and controlled dispensing on site.

Australian Standards Compliant

Manufactured to comply with applicable Australian cable requirements for safety, quality and electrical performance, with V90 PVC insulation and sheath compounds manufactured in accordance with AS/NZS 3808.

Specifications

Conductor size	2.5mm ²
Conductor construction	7/0.67mm
Number of cores	2 core
Core colours	Red and white
Conductor material	Plain annealed copper
Conductor type	Stranded
Insulation	V-90 PVC
Outer sheath	3V-90 PVC, white
Rated voltage	450/750V
Operating temperature	-15°C to +90°C
Cable standard	AS/NZS 5000.2
Insulation and sheath compounds	AS/NZS 3808
Roll length	100 metres
Country of manufacture	Australia

Australian Cable with a Greater Purpose

Tyree 2.5mm² Red and White Twin Active TPS Cable combines Australian manufacturing, dependable electrical performance and installer-friendly construction in a convenient 100-metre roll.

For electricians who value quality, compliance and local manufacturing, Tyree provides a trusted cable solution while supporting Australian jobs, engineering innovation and important medical and educational research.
