

Cambell 1 Light LED Wall Bracket in Chrome with Clear Acrylic

SKU: 300930

Details

Cambell wall light

The Cambell wall light features a sculptural, organically shaped acrylic shade that creates a soft, warm 3000K glow. Its fluid form and sleek chrome finish bring a contemporary edge, while its compact design makes it perfect for framing a bedhead, lighting a hallway, or adding subtle illumination beside a mirror. Ideal as a standalone feature or paired with the Cambell pendant range for a cohesive look, this wall light offers an elegant way to introduce gentle, ambient lighting into any modern space.

TIP:

For a refined look, install Cambell wall lights in symmetrical pairs beside a bed, mirror, or artwork, using their sculptural form to frame and enhance the space.
