

Farron 132cm DC Fan in Oil Rubbed Bronze with Walnut Blades

SKU: 21611386

Details

Farron radiates elegance with effortlessly flowing blades and an organic design that is perfect for the modern home. The motor housing in the Farron is small in size, wrapping the energy-efficient DC motor inside so that your focus is drawn to the fan blades instead.

Farron is available in 132cm in either black, white, grey with white wash blades, or oil rubbed bronze with walnut blades.

DC Motor - Efficient, Cost Saving, and Quiet

The most energy-efficient ceiling fans on the market right now are DC, or direct current, fans. The key to their improved airflow and low energy consumption is their motor, which also helps you save money on your electricity bill. Since the motor is small and light, DC ceiling fans have sleek designs that fit better in your interiors and cost just one cent an hour to run. Additionally, they are silent in operation, making them ideal for private spaces in your house like the bedroom. You have a lot of versatility with the speed settings of DC fans, which range from a light breeze to an extremely intense airflow.

Remote Control

6 speed remote control with natural wind mode. For instructions on how to pair the remote, please follow the steps in this video: Remote Pairing

Coastal Rating

Suitable for indoor, alfresco and coastal areas provided the fan is fully undercover, protected from water, wind, dust and salt, with a minimum of 1 walls.

Recommended Room Size

For rooms between 3m x 3m and 4m x 4m, we recommend a fan between 122cm and 142cm.

5-Year In-Home + 5-Year Motor Replacement Warranty

We provide a 5-Year In-Home warranty and a 5-Year motor replacement warranty on all hard-wired Lucci or Fanaway fans that were purchased from 1st October 2022. Plus, if you have your fan purchased or installed by a Beacon Lighting Trade

member, we'll extend your in-home warranty on the nominated Lucci or Fanaway fan for an extra 1 year, which means you'll enjoy a 5-year in-home warranty.
