

## Fjord 1 Light Small Drop Pendant in White Gypsum

SKU: 018177

### Details

Inspired by nature, the Fjord collection echoes the organic, pebble-like forms found in fjords. The small drop pendant comes in two materials, gypsum in white or clay, and concrete in black or stone.

The white variant boasts a velvety, chalky finish, while clay exudes a natural luxury with its smooth, earthen appearance. In contrast, the stone and black finishes offer a tactile and ethereal palette, featuring naturally formed pitting that adds depth to the design.

The Fjord range caters to a diverse array of applications, ensuring versatility in lighting solutions. Experience the harmonious fusion of nature-inspired design and contemporary aesthetics with the Fjord pendant.
