

Floris Glass Table Lamp in Opal

SKU: 276795

Details

The Floris table lamp range features a decorative glass design with softly curved edges that create texture and depth within the silhouette. Available in sepia and opal finishes, the range brings a refined modern classic look to bedrooms, hallways and living spaces. Designed for an ES globe up to 45W, the Floris range provides ambient lighting with a soft, diffused glow. The sculpted glass form creates a subtle statement both illuminated and unlit, making it suited to bedside tables, consoles or decorative styling applications.
