

## Lucci 18W 200mm GX53 LED 3 Step Dimmable globe in Warm White

SKU: 121357

### Details

Lucci GX53 LED globe delivers flexible, energy-efficient lighting with smart dimming and colour temperature control, ideal for interior fixtures or compatible ceiling fans.

Available in 128mm, 152mm, 200mm, and 220mm diameter designs for GX53 fittings.

### Dimmable via Standard Switch

Features convenient 3-step dimming directly through an ON/OFF switch: 100%, 50%, and 15% brightness levels controlled by multiple toggle presses. It also memorises your last setting after 7 seconds off and offers a quick reset to full brightness with a rapid double-tap.

### Build & Lifespan

Constructed with durable ABS material, designed for long-term use with a rated life of around 15,000 hours. Compatible with mechanical or relay ON/OFF switches and Lucci wall-mounted remotes. Note: not compatible with rotary or semiconductor dimmer switches.

### Warranty

Includes a standard 3-year warranty from the date of purchase.
