

Sunset Solar 4 Light LED Spike Spot Kit in Black

SKU: 221126

Details

The Sunset solar spike set includes four sleek LED spike spots designed for effortless garden accent lighting. Finished in black with durable aluminium, PC and glass components, each fitting is built to withstand coastal conditions and is IP54 rated for long-term outdoor performance. Once ambient light drops below 20 lux, the lights automatically switch on to provide warm 3000K illumination, then turn off again when light levels exceed 20 lux. Powered by a solar panel, the set offers an estimated runtime of up to 10 hours from a full charge. Ideal for highlighting pathways, plants or architectural features, the Sunset set is backed by a 5-year warranty.

Specifications
